Tasks Completed by Trustee

Exhibit A

EXHIBIT A

TASKS PERFORMED BY TRUSTEE

The Trustee reviewed the Debtors' Schedule of Assets and Liabilities and Statements of Financial Affairs. The Trustee conducted an examination of the Debtors at the Section 341 meeting of creditors.

A. Trustee investigated the Debtors' interest in the Property; with the aid of a real estate broker, Trustee identified that the Property was undervalued on the Debtors' schedules and that there may be equity available to the Estate; Debtors subsequently informed the Trustee that they would voluntarily convert the case to one under chapter 13 of the Code; in late February 2006, Debtors filed a motion to voluntarily convert the case, but due to technical problems with their filing, the Court did not enter an order converting the case until April 25, 2006; in the interim, Trustee prepared and filed multiple motions to extend the time within which to object to the Debtors' discharge in order to, among other things, protect the Trustee's interest in the Estate; upon the Re-conversion Date, Trustee negotiated with the Debtors for a sale of the equity in the Property; Trustee directed his attorneys to prepare a motion to sell and pursuant to this Court's order dated June 21, 2007, Trustee recovered gross proceeds in the amount of \$20,000.00 representing a settlement of the Debtors equity in the Property;

B. Trustee invested and accounted for all funds received by the Estate and set up and maintained all bank accounts for the Estate;

C. Trustee set up and maintained a computerized case management system for the Estate in order to efficiently keep track of records relating to the Estate's case history, assets, claims and banking activities;

D. Trustee prepared semi-annual reports required by the United States Trustee and met with representatives of the U.S. Trustee regarding the administration and status of the case;

E. Trustee directed his counsel to examine proofs of claim filed against the Estate; Trustee requested that this counsel contact and communicate with numerous creditors to procure the withdrawal or amendment of certain objectionable claims;

- F. Trustee analyzed the tax issues of the Estate; and
- G. Trustee otherwise administered this Estate and directed the allocation, liquidation and distribution of assets to creditors herein.
